Name of Caller (or person called): [REDACTED] <input type="checkbox"/> Incoming <input checked="" type="checkbox"/> Outgoing		Organization: (e.g., Respondent, Respondent's Attorney, County Health Department, State Agency) Attorney for Residents	Telephone Number [REDACTED]
Subject:			
<p>Summary: During work site inspection of [REDACTED] residence in New Haven, MO, they told me they had provided their lawyer – Hank Schwedye, Union, MO – with a lot of pictures. I contacted his office on the above date and spoke to [REDACTED]. She stated that she was a 3rd year law student who has been on the case from the beginning. She agreed to provide copies of the photos which should arrive early next week if the scanning process works smoothly, or the week of January 23-27 if there are scanning problems.</p> <p>She also had several questions regarding the EPA inspection process. I answered those in broad, general terms including a reference to the fact that specific information about work in process would not be available until the case was finalized and made public.</p>
